Sen. Testin's "On the Job" Events Highlight Summer Sports

Sen. Testin to Assist at SCTP Championship and Wisconsin Rapids Rafters Game

This June, Senator Testin will be highlighting the summer sports of clay shooting and baseball during his "On the Job" series. On Saturday, June 12th, he will be providing assistance at the Scholastic Clay Target Program (SCTP) Wisconsin Sporting Clays State Championship. Sen. Testin will work with event organizers at Woods & Meadows Hunting Preserve and Sporting Clays to make sure that the event goes smoothly for the young people competing. Competitive shooting is one of the fastest growing sports for high school students.

On Monday, June 14th, Senator Testin will head to Witter Field for some Northwoods League baseball. He will be spending the day with the Wisconsin Rapids Rafters baseball team doing a variety of jobs, including grounds crew and concessions. The senator will also be throwing out the first pitch before the Rafters square off against the Madison Mallards at 6:05 P.M.

Senator Testin will be available to meet with members of the media from 10-11 A.M. on Saturday, June 12th at the sporting clays shooting event and during the first inning of the Rafters vs. Mallards game on Monday, June 14th (appx. 6:10-6:45 P.M.).
